The initial pay of the clerks who stagnated on Rs. 70/- for 2 and 4 and over years be fixed at Rs. 75/- and Rs. 80/- respectively in the new A grade from the dates of their promotion to the new grade of Rs. 70-5-95 as it was done in the cases of clerks in grade of Rs. 30-6-70 since revised to Rs. 50-4-70.

It may be approved as is sanctioned in the case of such clerks stagnated. There is one case wherein the clerk has not finished 4 years but he has stagnated for 3 years and 11 months and the Secretariat should by one month for 4 years in this case may perhaps be considered as 4 years by condoning the shortage of one month.

Sir,

Granting of higher initial pay in the grade of Rs.70-5-95 to certain clerks of the Administrative Unit.

I have the honour to state that the following Clerks of the Administrative Unit who have put in services in the Public Works Department ranging from 15 to 18 years and were recently promoted from the grade of Rs.50-4-70 (since revised) to that of Rs.70-5-95 have stagnated on the maximum pay of Rs.70/- of the lower grade for a period of over three years. As the minimum pay of the higher

grade also is Rs.70/-, they will have to draw the above pay for another period of one year before they will be eligible for an increment. Most of the Clerks have stagnated in the lower grade and with a view to promoting efficiency, I consider it desirable and necessary to start them on a higher pay in the new grade by granting them one or two advance increments taking into consideration their period of stagnation on Rs.70/-.

2. Recently, such cases of Clerks in the grade of Rs.30-4-70 (since revised to Rs.50-4-70) were favourably considered and Government were pleased to order the grant of one or two advance inc-rements to Clerks who stagnated on Rs.45/- for over two years.

C.O.,

3. I request that similar concession may kindly be extended to these officials also and sanction of Government may kindly be obtained and communicated to the grant of one advance increment to those who have stagnated for two years on Rs.70/- in the lower grade and two increments for those who have stagnated for four years or more.

4. In the case of those who have stagnated for over one year but less than two years, I recommend that they may be allowed to draw their first increment from the date they will have drawn the maximum of Rs.70/- for two years continuously.

I have the honour to be,

Sir,

Your most obedient servant,

GCS/2nd.
